## MC-55

Aqueous Parts Cleaning Solution

**Description:** MC-55 is a concentrated alkaline cleaning solution developed for automatic parts cleaners. It is formulated with alkaline builders, emulsifying agents and low foaming biodegradable surfactants for long lasting degreasing properties. MC-55 is a clear liquid with a pleasant smell.

**Application:** MC-55 is highly effective on removing dirt, oils and grease. When initially charging the automatic parts cleaner, add 1 gallon of MC-55 for each 10 gallons of water. The cleaning solution can be recharged by adding more MC-55 as needed.

## Typical Properties:

Specific Gravity	1.05
PH (as is)	8.0
Flash Point	NA
