MC-9

Alkaline Hard Surface Cleaner

Description: MC-9 is an alkaline cleaner formulated with alkaline builders, water softening agents, rinse agents, and biodegradable surfactants. MC-9 is a light green liquid with a mild odor.

Application: MC-9 is an excellent vehicle wash, light degreaser, aircraft cleaner, animal confinement building cleaner. It is safe to use on all mirrored metal and painted surfaces. It should be applied at a dilution rate of 20:1 to 40:1 depending on soils and water quality. It should be applied through either an upstream or downstream chemical injection system. MC-9 works well with either hot or cold water.

Typical Properties:

Specific Gravity	1.03
PH (as is)	12.2
Flash Point	NA
Odor	Mild
Appearance	Lime Green Liquid

Storage & Handling:

This product should be stored in a cool dry area with container tightly closed. Normal safety precautions (i.e. gloves and faceshield) should be worn when handling this product. Refer to MSDS for more detailed safety information. This product is available in 5 gallon pails and 55 gallon drums.
