## MC- DEGREASER

Alkaline Degreaser and Debugger

**Description:** MC-Degreaser is a concentrated high foaming alkaline detergent developed for general cleaning and heavy degreasing. It is formulated with alkaline builders, emulsifying agents and biodegradable surfactants. It is formulated without Sodium Hydroxide to make it compatible on many more surfaces.

**Application:** MC-Degreaser is highly effective on removing bugs, oils, grease and soot. It can be applied using an up or down stream enjection system. It can also be diluted and applied with a low pressure misting system.

Recommended Dilutions:

General high pressure cleaning 1:20

General degreasing 1:10

Heavy Degreasing and bug removal 5:1

## Typical Properties:

Specific Gravity	1.03
PH (as is)	11.0
Flash Point	NA
Odor	mild
Appearance	Yellow liquid

## Storage & Handling:
