MC-THUNDER

Alkaline Truck Wash Detergent

Description: MC-Thunder is a concentrated, biodegradable, alkaline detergent for touchless carwash applications. It is formulated to lift and remove road film, bugs, oil and most other contaminants from vehicle surfaces. MC-Thunder is a moderate foaming brown liquid with a mild odor.

Application: When using MC-Thunder as a stand alone presoak it should be applied using low pressure, diluted 1:25 and let set for 30 seconds. To obtain the best performance and customer satisfaction, elevate the presoak solution temperature to 125° F., use soft water and apply a drying agent (i.e. MC-400) and use a spot free rinse.

NOTE: This product should not be used on highly polished aluminum surfaces.

Typical Properties:

Specific Gravity	1.06
PH (as is)	13.5
Flash Point	NA
Odor	Mild
Appearance	Brown Liquid

Storage & Handling:

Store in a cool dry place. Do not allow to freeze. Do not store with acidic materials. Wash hands after handling the product and prior to eating, smoking, drinking, or using the restroom facilities.
